INDEPENDENT AUDITOR'S REPORT

Board of Directors
American Civil Liberties Union of Ohio
Foundation, Inc. and American Civil Liberties Union of Ohio, Inc.
Cleveland, Ohio

Opinion

We have audited the accompanying consolidated financial statements of American Civil Liberties Union of Ohio Foundation, Inc. and American Civil Liberties Union of Ohio, Inc. (nonprofit organizations) which comprise the consolidated statements of financial position as of March 31, 2024 and 2023, and the related consolidated statements of activities and consolidated statements of cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of American Civil Liberties Union of Ohio Foundation, Inc. and American Civil Liberties Union of Ohio, Inc. as of March 31, 2024 and 2023, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of American Civil Liberties Union of Ohio Foundation, Inc. and American Civil Liberties Union of Ohio, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Civil Liberties Union of Ohio Foundation, Inc. and American Civil Liberties Union of Ohio, Inc.'s ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of American Civil Liberties Union of Ohio Foundation, Inc. and American Civil Liberties Union of Ohio, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about American Civil Liberties Union of Ohio Foundation, Inc. and American Civil Liberties Union of Ohio, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

MARCH 31, 2024 AND 2023

**NOTE A - NATURE OF THE ORGANIZATIONS AND SIGNIFICANT ACCOUNTING
POLICIES**

Nature of the Organizations

The accompanying consolidated financial statements include the accounts of American Civil Liberties Union of Ohio Foundation, Inc. (ACLU of Ohio Foundation), which is a 501(c)(3) organization and American Civil Liberties Union of Ohio, Inc. (ACLU of Ohio), which is a 501(c)(4) organization (the Organizations). Intercompany transactions and balances have been eliminated in consolidation. The Organizations were incorporated as nonprofit corporations in July 1971.

The mission of the organizations is to champion and expand constitutional and other fundamental rights and to pursue racial, economic, gender, and social equity for all Ohioans using all the tools of integrated advocacy without political partisanship; to fight in both principle and practice for the best ideals of fairness, freedom, and justice; and to advance the mission through an anti-racist, intersectional lens with determination, agility, practicality, and hope. The Organizations are affiliates of the national American Civil Liberties Union Foundation and American Civil Liberties Union. Revenue is shared between the national organizations and their affiliates according to rules and formulas established to benefit the organizations involved.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) 958-205. Under ASC 958-205, the Organizations are required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

ASC 958-205 requires board-designated funds to be reported as part of net assets without donor restrictions; accordingly, the Organizations report designations of voluntary board-approved segregations of net assets without donor restrictions for specific purposes as a classification of net assets without donor restrictions.

Basis of Accounting

The financial statements of the Organizations have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Cash and Cash Equivalents

For purposes of the Consolidated Statement of Cash Flows, the Organizations consider all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. Cash and cash equivalents received with donor-imposed restrictions limiting their use to long-term purposes are not considered cash and cash equivalents for purposes of the Consolidated Statement of Cash Flows.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

MARCH 31, 2024 AND 2023

**NOTE A - NATURE OF THE ORGANIZATIONS AND SIGNIFICANT ACCOUNTING
POLICIES (CONTINUED)**

Cash and Cash Equivalents (Continued)

The following table provides a reconciliation of cash, cash equivalents, and restricted cash reported within the Consolidated Statements of Financial Position to the Consolidated Statements of Cash Flows as of March 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Cash and cash equivalents	\$2,582,950	\$3,066,570
Restricted cash - IOLTA account	21	21
	<u>\$2,582,971</u>	<u>\$3,066,591</u>

Unconditional Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organizations that is, in substance, unconditional. Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. Conditional promises to give are recognized when the conditions on which they depend are substantially met. The Organizations use the allowance method to determine uncollectible unconditional promises receivable. The allowance is based on prior years' experience and management's analysis of specific promises made.

Investments

Investments are valued at market. Donated investments are reflected as contributions at their market values at date of receipt. Dividend and interest income and gains and losses on investments are reflected in current activities without donor restrictions unless restricted, either by law or explicit donor stipulation, in which case they would be reported as activities with donor restriction.

Valuation of Long-Lived Assets

The Organizations review for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. An impairment loss is recognized when the estimated future net cash flows are less than the carrying amount of the asset. No impairment losses were recognized in fiscal 2024 and 2023.

Property and Equipment

Property and equipment are carried at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

MARCH 31, 2024 AND 2023

**NOTE A - NATURE OF THE ORGANIZATIONS AND SIGNIFICANT ACCOUNTING
POLICIES (CONTINUED)**

Donated Equipment

Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as support with donor restrictions. It is the Organizations' policy to imply a time restriction, based on the estimated useful lives of the assets, on donations of property and equipment that are not accompanied by a donor restriction. Accordingly, those donations are recorded as support increasing net assets with donor restriction. The Organizations reclassify net assets with donor restriction to net assets without donor restriction each year for the amount of the donated property and equipment's depreciation expense. There was no donated equipment during the years ended March 31, 2024 and 2023.

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from the balances outstanding at year end. The Organizations establish an allowance based on the net amount expected to be collected, through an allowance for credit losses that are expected to occur over the remaining life of the assets. If management determines that a balance is no longer collectable it is written-off to credit loss expense at that time. Accounts receivable are reported net of allowance for credit losses. As of March 31, 2024 and 2023 management has determined that an allowance for credit losses is not necessary. The opening balance of accounts receivable as of April 1, 2022 totaled \$8,468.

Revenue and Support With and Without Donor Restrictions

Contributions received are recorded as with or without donor restrictions, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions. Funds received related to conditional grants are classified as refundable advances until expended for the purposes of the grants.

Net Assets Without Donor Restrictions

Net assets without donor restrictions are available for use at the discretion of the Board of Directors and/or management for general operating purposes. From time to time the Board designates a portion of these net assets for specific purposes which makes them unavailable for use at management's discretion. The Board has designated a portion of net assets without donor restrictions for use for building and facilities expenses, for litigation purposes, and to establish reserves for the purpose of helping to secure the Organizations' long-term financial viability.

Net Assets With Donor Restrictions

Net assets with donor restrictions consist of assets whose use is limited by donor-imposed, time and/or purpose restrictions. The Organizations report gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the net assets are reclassified as net assets without donor restrictions and are reported in the statement of activities as net assets released from restrictions.

Board Designated Funds

Board designated funds contain funds categorized by the Board of Directors as follows: Foundation Fund, established as a reserve account; Litigation Fund, created to support significant litigation; and Building Fund, designated for selected building and facilities expenses.

Revenue Recognition for Contracts with Customers

The Organizations' revenue streams under contracts with customers consists primarily of revenues under the following categories:

Legal fees - At times ACLU of Ohio Foundation receives proceeds from legal settlements. Revenue is recognized at the point in time that both a legal judgement is awarded and ACLU of Ohio Foundation's collectible portion is known.

Events and sales of materials – ACLU of Ohio Foundation and ACLU of Ohio at times will charge fees for events, programmatic materials or other resources, designed to cover the approximate cost to ACLU of Ohio Foundation and ACLU of Ohio. Revenues are recognized at the point in time that an event occurs or the material/resource is transferred/made available to the customer.

Membership shares – National ACLU uses a number of tools and techniques to recruit ACLU members. Funds raised through those means are shared with state ACLU affiliates. All revenues are recognized over time on a monthly basis.

Revenue recognition for each of the revenue streams identified above are subject to the satisfaction of performance obligations. Revenue is recognized when performance obligations are satisfied over a period of time or at a point in time. Revenue is measured as the amount of consideration the Organizations expect to receive in exchange for providing services. Any payments received in advance of satisfaction of performance obligations are recorded as deferred revenue until the obligation is met.

NOTE A - NATURE OF THE ORGANIZATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Functional Allocation of Expenses

Costs of providing various programs and supporting services are allocated based on specific identification, if practical. Certain categories of expenses are attributable to more than one program or supporting function. These expenses require allocation on a reasonable basis that is consistently applied. Salaries and wages, employee benefits, payroll taxes, and retirement are allocated based on estimates of time and effort. Expenses such as occupancy, insurance, information technology, and depreciation and amortization are allocated based on management's estimate of usage.

Advertising

Advertising costs are expensed when incurred.

Pervasiveness of Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

Concentrations of Credit Risk

Financial instruments that potentially subject the Organizations to concentrations of credit risk consist primarily of cash and cash equivalents. The Organizations maintain their cash and cash equivalents with financial institutions and although they have invested amounts in excess of the federal insurance limits, the Board of Directors does not feel that the Organizations are exposed to any substantial credit risk. As of March 31, 2024 and 2023, the Organizations had no other significant concentrations of credit risk.

Recently Adopted Accounting Pronouncements

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842) ("ASU 2016-02"). The objective of ASU 2016-02 is to recognize lease assets and lease liabilities by leases for those leases classified as operating leases under previous generally accepted accounting principles (GAAP). In June 2020, the FASB issued ASU 2020-05 as a limited deferral of the effective dates of two Updates, one of which is ASU 2016-02. Lease rules will now be applied for fiscal years beginning after December 15, 2021. During 2023, the Organizations adopted Accounting Standards Update (ASU) No. 2016-02, Leases (Topic 842). The adoption of the standard resulted in new recognition, presentation and disclosure requirements for lease assets and lease liabilities by entities for those leases classified as operating leases under previous generally accepted accounting principles (GAAP). The ASU was adopted prospectively for fiscal 2023. The adoption of this standard impacted the consolidated financial statements and footnote disclosures, as further described in Note I.

Recently Adopted Accounting Pronouncements (Continued)

In June 2016, the FASB issued ASU 2016-13, Financial Instruments-Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments, which creates a new credit impairment standard for financial assets measured at amortized cost and available-for-sale debt securities. The ASU requires financial assets measured at amortized cost (including loans, trade receivables, and held-to-maturity debt securities) to be presented at the net amount expected to be collected, through an allowance for credit losses that are expected to occur over the remaining life of the assets (other than certain purchased assets) and subsequent changes in the allowance for credit losses are recorded in the Consolidated Statements of Activities as the amounts expected to be collected change. ASU 2016-13 was effective for fiscal years beginning after December 15, 2022. The Organizations adopted this standard on April 1, 2023 using a modified-retrospective approach. The comparative information has not been restated and continues to be reported under the accounting standards in effect in those reporting periods. The adoption of this standard did not have any significant impact on the consolidated financial statements.

Subsequent Events

The Organizations evaluated their March 31, 2024 financial statements for subsequent events through September 21, 2024, the date the consolidated financial statements were available to be issued, and all relevant subsequent information is included within the applicable notes to the consolidated financial statements.

NOTE D - FAIR VALUE OF FINANCIAL ASSETS

The Organizations use fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. In accordance with ASC 820-10, the Organizations have categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy:

Level 1 – Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that the Organizations have the ability to access. These include investments that are recorded at fair value on a recurring basis and fair value measurement is based upon quoted prices, if available. Securities valued using Level 1 inputs include those traded on an active exchange, such as the New York Stock Exchange and other exchange trade securities.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE D - FAIR VALUE OF FINANCIAL ASSETS (CONTINUED)

Level 2 – Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for subsequently the full term of the asset or liability.

Level 3 – Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement.

In accordance with the guidance provided by FASB ASU 2015-07, Subtopic 820-10, investments in hedge funds, private equity funds and proprietary equity funds are valued at fair value based on the applicable percentage ownership of the underlying net assets on the measurement date. In determining fair value, ACLU utilizes, as a practical expedient, the NAV (or equivalent) provided by the fund managers (NAV of funds). The underlying hedge funds, private equity fund and proprietary equity funds value securities and other financial instruments on a fair value.

The estimated fair values of certain investments of the underlying hedge funds, private equity fund and proprietary equity funds, which may include private placements and other securities for which prices are not readily available, are determined by the sponsor of the hedge funds, private equity fund and proprietary equity funds and may not reflect amounts that could be realized upon immediate sale, nor amounts that may ultimately be realized. Accordingly, the estimated fair value may differ significantly from the values that would have been used had a readily available market existed for these investments. These include private equity funds in the amount of \$926,091 and \$761,460 as of March 31, 2024 and 2023, respectively, and proprietary equity funds in the amount of \$2,446,159 and \$2,279,915 as of March 31, 2024 and 2023, respectively, which are only reflected in the fair value column in the accompanying table. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of financial position.

ACLU assesses the fair value hierarchy levels of the investments at each measurement date, and transfers between levels are recognized on the actual date of the event or change in circumstances that caused the transfer. There were no significant transfers among Levels 1, 2, and 3 during fiscal 2024 and 2023. The investments in private equity funds are funds which ACLU does not have the ability to redeem the investments on March 31, 2024 and 2023, or in the near term, which is defined as 90 days or less from March 31, 2024 and 2023. The investment objective of the private equity funds is to generate consistent capital appreciation over the long term, with relatively low volatility and a low correlation with traditional equity and fixed income markets.

Endowment gifts are generally shared equally between National ACLU and the affiliate of the area in which the donor resides unless otherwise restricted by the donor. Each affiliate holds unit shares commensurate with its ownership of endowment fund gifts received. These endowment gifts are held by an outside firm that is charged with management of the endowment funds. At March 31, 2024 and 2023, \$5,136,894 and \$4,765,093, respectively, was held through National ACLU on behalf of the ACLU of Ohio Foundation as its proportional interest in the Endowment Fund.

NOTE G - ENDOWMENT NET ASSETS

National ACLU and its separately incorporated affiliates cooperatively established a Trust for the Bill of Rights Endowment Fund. Gifts to the Fund are generally shared equally between National ACLU and the affiliate of the state in which the donor resides unless otherwise restricted by the donor. Each affiliate holds unit shares commensurate with its ownership of endowment funds received. While these endowment gifts are held by National ACLU in a single independent account, financial data on each affiliate's shares is tracked separately.

The Fund is governed according to the guidelines outlined in two documents:

- Agreement for the Establishment, Management and Operation of the Trust for the Bill of Rights (approved by the National ACLU Board of the ACLU on October 25, 1997 and amended on November 1, 2002)
- American Civil Liberties Union (ACLU) Investment Policy Statement (adopted by ACLU Executive Committee/Foundation Board on January 24, 2020 and again on September 30, 2021)

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE G - ENDOWMENT NET ASSETS (CONTINUED)

Any contribution, bequest, planned gift or other transfer of property is deemed a gift of endowment if: (1) the donor states that the gift is for endowment, (2) the gift is given to provide permanent support by restricting its use to income derived from principal or (3) the gift is given to provide long-term support by restricting its use to income derived from principal and to a limited portion of the principal in any one year.

The Trust for the Bill of Rights is subject to an investment policy created by a National ACLU Investment Committee. Affiliate foundations may not make independent decisions on how their unit shares are invested, though a screened fund option has been made available.

The investment objective for the endowment is to preserve or enhance the real value of the endowment while providing funds to support designated organizational activities on an annual basis in accordance with agreed-upon spending rules. Investment guidelines will seek to maximize long-term total returns consistent with prudent levels of risk, and in consideration of liquidity needs. The endowment assets invested for the long term are expected to generate a total annualized return over a rolling five-year period, net of fees, equal to 5% plus the rate of inflation as measured by the Consumer Price Index.

The investment guidelines provide for allowable and prohibited assets and transactions. Target allocations for the endowment are established as follows:

<u>Asset Class</u>	<u>Minimum Allocation</u>	<u>Strategic Allocation</u>	<u>Maximum Allocation</u>
Traditional equities	5.0%	60.0%	50.0%
Marketable alternative investments	0.0%	30.0%	15.0%
Fixed income & Cash	0.0%	10.0%	14.0%

The Agreement provides for the expenditure of 4% of the average of the fair market value of each unit share of the Fund as of December 31 of the three immediately preceding calendar years. Affiliates cannot exceed this distribution. The Agreement does provide for the withdrawal of unit shares in certain crisis situations.

NOTE G - ENDOWMENT NET ASSETS (CONTINUED)

Interpretation of Relevant Law

Each foundation unit holder is responsible for determining the laws governing endowment funds in its state and whether such expenditures are in keeping with those laws. The state of Ohio passed the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA) legislation in January 2009 as HB-522, and the legislation became effective on June 1, 2009. As such, as of March 31, 2010, UPMIFA applied to the ACLU of Ohio Foundation's endowment funds. The Board of Directors of the ACLU of Ohio Foundation has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

As a result of this interpretation, the ACLU of Ohio Foundation classifies as net assets with donor restrictions in perpetuity (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in net assets with donor restrictions in perpetuity is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the ACLU of Ohio Foundation in a manner consistent with the standard of prudence prescribed by SPMIFA. In accordance with SPMIFA the ACLU of Ohio Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the endowment funds, (2) purposes of the institution and the endowment fund, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the ACLU of Ohio Foundation, and (7) the ACLU of Ohio Foundation's investment policies.

Funds with Deficiencies

From time to time, the fair market value of assets associated with individual donor restricted funds may fall below the level that the donor requires the Fund to retain as a fund of perpetual duration. In accordance with generally accepted accounting principles, deficiencies of this nature are to be reported in net assets without donor restrictions as of year-end.

NOTE I - OPERATING LEASES

The Organizations lease equipment, office space, and a vehicle. During 2023, the Organizations implemented Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2016-02 related to leases. ASU 2016-02 requires the recognition of operating right of use assets and corresponding operating lease obligations, initially measured at the present value of the lease payments. The Organizations adopted the ASU on April 1, 2022 using a prospective approach, and as such recorded operating right of use assets and operating lease obligations totaling \$648,276.

The net present value of the lease commitments were calculated using the risk free rate practical expedient resulting in a discount rate of 0.96%. The operating right of use assets and operating lease obligations are being amortized over the respective lives of the leases. As of March 31, 2024 and 2023, the unamortized operating right of use assets were valued at \$394,667 and \$520,260, respectively, and the unamortized operating lease obligations were valued at \$395,967 and \$521,960, respectively.

NOTE J - PENSION PLAN

The ACLU of Ohio participates in a defined benefit plan as required by the National ACLU office. The National ACLU office instructed all American Civil Liberties Unions to be included in the ACLU defined benefit plan in which eligible employees participate. Employees became vested at three years of service and fully vested at seven years. No contributions are required from plan participants. The ACLU of Ohio Foundation makes annual contributions to the plan, as instructed by National ACLU, based on census information supplied to an actuary.

In January 2009, the National ACLU Board of Directors voted to adopt a soft freeze of the defined benefit plan. Employees hired on April 1, 2009 or after are automatically enrolled in a defined contribution 401K plan with an employer match. No future employees will be enrolled in the defined benefit plan, however the liability for the employees currently in the plan will continue, along with the liability for future employees enrolling in the defined contribution plan.
